

16 CHANNEL NETWORK VIDEO RECORDER

Onvif® | GST

NDAA Compliant

The **GSD-NVRFNC6K-16-N** is a next-generation 16-channel 6K Network Video Recorder designed to deliver robust performance, high-resolution recording, and scalable storage in a professional surveillance solution. Supporting up to 8MP resolution with 6K HDMI output, it provides crisp, detailed image quality for demanding applications. With 16 PoE ports + E-PoE, installation is fast and efficient — simply plug in cameras and power them directly from the recorder. ONVIF compliance ensures wide compatibility across brands, and P2P connectivity allows for secure remote monitoring anytime. Supporting dual HDDs up to **18TB** each, it offers ample long-term storage capacity for larger security deployments.
